A campaign to acquire Marion residents with the proposed \$250,000 bond issue for construction of a new city hall and public auditorium got under way last night. TODAY'S RECIPES ARE TANTALIZERS FOR TYPESETTERS

Medieval torturers couldn't have improved on the slow agony to which The Star's type men were subjected this week

The flood of recipes which poured into the Star office after the Hot Weather Show contest sponsored by the Marion mer- chants and The Star made it necessary for some of the type- setters on both day and night shifts to concentrate on getting the menus and recipes ready for the special tabloid section which accompanies today's Star

Once this week the men on night duty decided to work straight through without time off for a bite to eat. Everything went beautifully until the regular lunch time had passed and the pangs of hunger sharpened

The men swear that every time they hunger grew worse they got hold of a menu which included a tempting chicken dish a delicious steak a rich cake or some reluc- titant enough to make a cigar store Indians mouth water

But they were game. They stayed and set the menus and recipes to fill the special sec- tion tonight

PRESIDENT HITS RICH CHISELERS

Says 58 Per Cent of Wealthiest Citizens Evaded Part of Income Tax in 1932

WANTS NEW AMENDMENT

Claims Government Bonds Should Be Laid Against Same as Others

By The Associated Press

WASHINGTON July 31—Dis- cussing the new tax bill with news- pester President Roosevelt to- day said that 58 of the richest persons in the United States paid no federal tax in 1932 on 37 per cent of their income

I distinctly remember the day up- on the 58 thickest people in the United States the President said they escaped all total taxation paid by investments in tax exempt securities He repeated his argu- ment for a constitutional amend- ment permitting taxation of govern- ment bonds

Assailed by Manufacturers

Meanwhile on Capitol Hill a group of manufacturers assailed the proposed grant of a corporation in one tax before the senate finance committee as an assault on principle and a violation of the ability to pay

The apparent loss of a witness a short while after the majority members of the house ways and means com- mittee submitted a cautious phrased report to the house offi- cially estimating that the new tax bill would raise \$270,000,000 a year

The majority report took its place along side of a Republican minority committee report condemning the measure as tending, on the point of contention and intended to catch votes

Start Debate Tomorrow

Chairman Doughton Democrat of North Carolina said he planned to call the bill up on the house floor tomorrow and would try to get it passed before Saturday

Senate Finance Committee Democrats will meet tomorrow morning to explain why some of the President's suggestions were not followed in the measure

They thought to ask the treasury secretary who had no hand in writ- ing the bill why the house ways and means committee had virtually ignored the suggestion for a gradu- ated tax on corporation incomes

They also wondered why the bill increase taxes on incomes over \$50,000 instead of merely over \$100,000 A house expert had told them yesterday the President merely had the figure \$100,000 as an ex- ample

Approved by Committee

The house committee yesterday approved the bill 17 to 7 on a strict party vote

The 2000 word minority report bitterly decried the motives behind the bill after Chairman Doughton Democrat of North Carolina in a statement Monday had praised it as equitable

If this bill serves no other purpose than to raise money for the government it is a failure

Clash with British Feared Because London Wants Whole Case Thashed Out at Geneva

FIRST SESSION BRIEF

Statesmen Will Assemble Tomorrow in New Effort To Pacify Two Nations Nearing War.

By The Associated Press

GENEVA July 31—Baron Pom- peu Abolj premier Mussolini's representative in the League of Na- tions flatly told the league council today that Italy would not discuss anything at this time except the arbitration question in its dispute with Ethiopia

The Italian representative de- clared he could not participate in any discussion which included other matters than the subject of arbi- tration

To Meet Tomorrow

He was heard by the council meeting in private session which lasted less than one hour. It ad- journed at 5 p. m. (U. S. E. S. 4:1) tomorrow when it will hold a public meeting

In the less than 24 hours be- tween the two sessions the repre- sentatives of Great Britain and France mutual endeavor by the recommendation of the council, to negotiate with both Italy and Ethiopia in an effort to find a basis for the resumption of the arbitration and conciliation pro- ceedings which were suspended several weeks ago

An open clash between Italy and Great Britain despite the common front they observed at Geneva in May was predicted in view of British authorities reportedly reported interpretation to leave the whole African situation thoroughly thrashed out around the council table

French Position

Though Britain was said to be determined to get more than mere promises that the disputants would not resort to war French circles said it appeared likely the council would adjourn without entering in- to full adjudication of the con- flict

A French spokesman indicated the plan under consideration was to appoint the fifth neutral mem- ber of the conciliation commission provided in the council's original resolution and then after continue general negotiation on the basis of the Anglo-Franco-Italian treaty of 1904 guaranteeing Ethiopia's in- tegrity

Eden Major Figure

Anthony Eden Britain's minister for the League of Nations affairs who joined Premier Pierre Laval at Paris to fly to the session took a topnotch place in the negotia- tions

He bore a draft of his govern- ment's peace proposals designed to uphold the prestige of the league London reports and the British government appeared less opti- mistic however as the private ne- gotiations began with authoritative reports that Italy would demand full control over Ethiopia British sources said Eden would counter

NAZI FACTIONS AT ODDS OVER PURGE'S INTENSITY

Moderates and Radicals Apparently Disagree on Whether To Continue Fight Against State Enemies.

(Copyright, 1935, By The Associated Press)

BERLIN July 31—Nazi radicals and moderates sparred behind the scenes today over the intensity of their drive against Jews, "political Catholics" "reactionary" vet- erans and other "state enemies"

Whether the two camps would come to decisive grips, persons in an informed position were unwilling to predict

Further dissolutions of Stahlhelm (steel helmet) veterans units con- tinued. Individuals local actions against Jews and "political Catho- licism" were reported, although sources close to the moderates in- sisted the glaring phases of the struggle were over, at least momen- tarily

The movie director, Fritz Lang, however was ousted from the na- tional film federation because he "acted as straw man for a Jew"

This was the first elimination after the appointment of Hans Hinkel as dictator of non-Aryan art

Franz Beldie, minister of labor and leader of the steel helmet organizations returned from an interview with Reichsfuehrer Hitler recently with the impression that moderation of his steel helmeters would be discontinued

The drive against them persisted nevertheless, with accompanying intimations that conservative war veterans were rallying anti-Nazi sympathizers who might be tempt- ed one day to try their lot against the Nazi regime

Trinity and First Reformed Topple Leaders from Pinnacle

With five sweeps tucked under their belts, the Marion Street baseball team expects to take in a better position during the next six weeks.

SCORES LAST NIGHT

Lee Street 4	Epworth 3
Trinity 12	Presbys 0
First Reformed 6	St. Mary 0

## HOW THEY STAND

Team	W	L	Pct
Lee Street	9	2	.82
Trinity	8	3	.73
First Reformed	6	4	.60
Epworth	3	7	.30
St. Mary	0	10	.00

In one of the heaviest evenings of reversals witnessed in city league baseball this season No. 1 Sunday School leaders toppled from the lead and Lee Street jumped back into the front for the first time since midway in the first half of the race.

Lee Street gained the peak by defeating the Epworth Senators 4 to 1 at Garfield park while St. Mary was taking an 11 to 0 shellacking at President field and the Presbys lost in a comedy of errors under the lights at Lincoln park to Trinity Baptists 12 to 5.

In the second game of a night doubleheader Salem won from the L. B. team 9 to 5 to climb out of the cellar in the No. 2 church circuit.

John Clarke No. 1 Epworth team played in the Senior league in the cellar as the Calvary team forfeited to the Methodists.

Lee Street has a half game lead over the Presbys and Irish. Their lead will be hard to hold however as they must face the much improved Trinity Baptist team tomorrow to close their season.

The league leaders wanted to declare their tournament game with Trinity as the postponed encounter but Manager Gale Dunn who will be without the services of Bob Rice, Trinity's ace hurler tonight balked on the proposition.

The slipping Presbyterian nine committed nine misplays in losing to the Baptists. Trinity scored 2 to 0 lead in the first and then taking one in the first as Kenny Scherlock walked and Bob Merchant drove him home after Ward Merchant had been put out at first.

Rice Hitts Homer

Bob Rice poked out a long home run blow to add a tally in the second and a brace of walks, two singles and Howard Jones home run brought in six runs in the fourth. The home run drive rolled to the fence in left center.

The Presbys scored two runs in the fourth three in the sixth and one in the seventh. Earl Castner and Lefty Clark of the losers connected twice in four trips to the plate while Bob Merchant and Bob Rice scored two apiece for Trinity. Vestal and Lindsey were unable to check the Trinity bats.

Lee Street bunched its hits off Maurice Whitcomb although out hit by the Methodists 4 to 7. Bill Darrell drove in Shorty Richards with the first run in the second frame while Anspaugh sent Mike Brahm home with the second in the next inning. Jimmy Kunkle walked with one out in the fifth came home on Kerr Conkies single and the latter crossed the plate as Anspaugh got his second safely in three trips to bat.

St. Mary got a big surprise against the First Reformed team as the Irish took their most severe beating of the year. The losers though bothered by illness expected to gain a forfeit but the 1931 city champs turned out in full force. Dale Schneider Reformed hurler was in his best form this season striking out 10 Irish batsmen and allowing only two hits.

The Irish had only nine men on the field calling on sun burned Able Ballinger to play in his bare feet.

Only one Irish runner reached third as Francis Robbins singled and reached third on an over throw. Rogers St. Mary shortstop gained the second hit for the Irish in the sixth when he singled and reached second on a passed ball.

Mitchell Stars

Charley Mitchell played center field for the winners pooled out a long home run in the seventh with the bases loaded. He also had a single in four times at bat and scored three runs. Fred Haas Pa forced first baseman had three hits in ending two doubles.

After building up a 9 to 3 lead in six innings Salem had a shaky finish in its game with United Brethren under the lights. The losers lashed five markers in the last inning before Millers struck out the last two batters. Featuring the 10 to 1 odds home run of Dick Tuttle with the bases loaded.
